

WATER REFLECTIONS

Guy-Frank Pellerin

Soprano and tenor saxophone

Eugenio Sanna

: Amplified guitare, Small metallic layers, balloons, voice

Matthias Boss

: violin, voice

FMR CD60 FMRCD604

Three musicians coming from different musical backgrounds and different creative experiences meet to create a totally improvised music characterized by a continuous alternation of moods and feelings.

The result is a particular suite structure vitalised by a set of sonorities, fragments, atmospheres seeming to constitute independent parts, but actually forming a unicum. The surprising interweaving of the three instrumental voices gives rise to a single voice, a single sound in which the individual instruments appear to be cancelled out.
