Sabu Toyozumi *drums erhu*

Rick Countryman *alto sax*

Recorded at Catch272 in Quezon City, the same location as the previous duo recording from 2018, titled Sol Abstraction (Sol Disk Records.) It's a small, supportive venue which since has been hit with a destructive fire amidst the COVID-19 pandemic. The barking dog who joined the first duo recording also was present for this, and his contributions can be found on the track entitled Flying Raccoons
